

SAVE THE DATE!

**Professional Learning workshop for
STEM teachers and career advisers**

31 August & 1 September, Burnie

The Tasmanian Institute of Agriculture is holding a free two-day workshop about careers in agriculture and teaching STEM in secondary schools.

It will be in third term, on **31 August and 1 September**, at the UTAS Cradle Coast campus in Burnie. Please save the date!

In the meantime, please register your interest and receive the latest version of our teacher resource booklet, jam-packed with 30 recipes for classroom ag-science activities.

Hope to see you in August,

Jo Jones and Steve Quarrell

Tasmanian Institute of Agriculture

You can register your interest at tia.events@utas.edu.au.
